Journey of Boundaryless Knowledge
Self-employed
Jun 2022 - Present (11 months)
I am open to new ideas and perspectives, even if they challenge my existing beliefs or ways of thinking. I understand that being receptive to different viewpoints can broaden my horizons and provide me with new insights and opportunities. Therefore, I actively seek out diverse sources of information and engage in meaningful discussions with people who have different backgrounds and experiences.

Full-stack Developer
New Horizons
Jun 2022 - Present (11 months)
